WAUKEGAN, IL– October 16, 2015 – Impact Networking, LLC and the Chicago Blackhawks have re-signed their corporate sponsorship through the conclusion of the 2021 National Hockey League (NHL) hockey season. This sponsorship will continue to give Impact Networking a significant presence during all Blackhawks home games at the United Center, including dasherboard and LED board advertising, as well as an intermission scoreboard sponsorship featuring ‘NHL Impact Plays of the Week’ during all regular and post-season home games.

“We are excited to continue our sponsorship with the Chicago Blackhawks,” said Frank Cucco, CEO of Impact Networking. “Through our past years of sponsoring, both the Blackhawks and Impact have seen tremendous success and we are looking forward to keeping this trend going. I am excited to see what the future will hold for the both of us. Our sponsorship entitles us to a vast amount of tickets to home games, which will allow us to cater to both our clients and our large Chicago Blackhawk fan base within Impact.”

Impact Networking has been a sponsor of the Chicago Blackhawks since 2008, three of the seven years have included Chicago Blackhawks winning the Stanley Cup since 2010. At the same time, Impact Networking has acquired multiple locations throughout Wisconsin and Illinois, and has a projected \$50 million in revenue by the end of 2015

About Impact Networking

Impact is a fierce competitor in the Business Process Automation space. Founded in 1999, Impact employs over 220 people at its 11 Midwest locations. Our Account Managers and Consultants interact with Directors and C-Level stakeholders to assess the role of information and document workflow in the enterprise.
